Dear all valued Patrons and Sponsors of Mangold Foundation,

To begin with, let me take this occasion to send you our Season`s greetings combined with our best wishes for the forthcoming Christmas Time.

Meanwhile, Mangold Resort and Mangold Foundation have experienced over one year of operations here in the Philippines. We can look back to a successful entry into our new life.

Your participation in form of financial help has been motivating us and has paved our way to keep on helping and supporting those people here in this area who are in desperate need of any kind of help or support.

Especially the real poor aboriginal people ("Aitas") here in Kinaragan, our neighbors and the children without partners from the not far away SOS CHILDREN VILLAGE in Mariveles have been and will be in the ongoing focus of our targeted social engagements.

In the frame of this, Mangold Foundation will organize a Charity event on December 27th 2015, in the center of the Aita village Kinaragan where poor people will be treated and at the occasion of which we are going to distribute small and (hopefully) many Christmas gifts to mainly children to make them smile and happy this day.

Should you – as a part of your Christmas considerations - consider to assist us for this event and also for our future engagements, we cannot, but express already today our hearty and sincere thanks and gratitude for your support.

Any donation will be used for a targeted social engagement, you can be sure of that.

We will send you photos and a corresponding report after this event, also documentation of the ongoing events when hosting the parentless children from the SOS CHILDREN VILLAGES.

My best personal regards
