CIVIL AVIATION SAFETY REGULATIONS 1998

Production Certificate

Number: C543965

In accordance with regulation 21.134 of the *Civil Aviation Safety Regulations 1998*, this certificate including the associated Production Limitation Record authorises:

**Fairchild Fasteners Melbourne PTY
ACN 073 750 428**

to manufacture Class III products at the following manufacturing facilities:

20 Stamford Road, Oakleigh, Victoria 3166

This certificate commences on 09 October 2003 and terminates on 08 October 2006

This certificate is subject to the following conditions:

1. The holder must notify CASA in writing of any change to the business address of the holder.
2. Class III products manufactured under this Production Certificate shall be supplied only to the foreign manufacturer with whom Fairchild Fasteners Melbourne PTY has an agreement to supply these products.
